Review: In spite of the antique language this is a terrific book. I bought it upon hearing that Michael Faraday as a lad was greatly influenced by it. Faraday seems to have followed Watts advice closely and became the seminal discoverer of basic electromagnetic phenomena. Reading it myself, I could not avoid the fact that this books advice to the modern student,...

Description: Good old Isaac Watts is known to the present generation chiefly as the inventor of English evangelical hymnody. His Psalms and Hymns revolutionized an important department of Christian worship. His Divine and Moral Songs for Children have not totally fallen into disuse. But his Improvement of the Mind, which years ago was carefully put into the...
